

21 March 1951

Dear Dave,

Thanks very much for remembering me with a copy of the RCA Annual Report for 1950. This is a most interesting account of an American enterprise of which the peoples of our country can be justly proud.

If you have an extra minute sometime when you are in Washington, give me a ring so we can at least say hello.

With all good wishes,

Faithfully,

*W. B. Smith*
